

Building High Performance Board

INTRODUCTION

- This Building High Performance Board training class provides participants with the professional knowledge, tools and frameworks to boost Board's performance.
- Recognizing that the Board of Directors plays a critical role in the organization's success, the goal of this program is to examine all issues impacting the Board performance and the effectiveness of its strategic operations.
- This training course will discuss in details all aspects related to the functional roles as well as the duties and responsibilities of the different Board players and will also emphasize the importance of the boardroom dynamics and the vital impact of the Board and company leadership in setting a positive culture.
- This training course will also address the importance of having a regular evaluation for the Board performance with an aim to detect areas for improvements and implement changes necessary to become more effective.

This training course will highlight:

- Roles, Duties and Responsibilities of a Board
- Board Composition & Structure
- Board Instruments and Tools
- Board Meetings
- Board Governance Framework
- The Governance, Risk and Compliance (GRC) perspective
- The Board Effectiveness Framework
- Board Evaluation

OBJECTIVES

At the end of this training course, you will be able to:

- Understand the Roles, Responsibilities and Duties of a Board
- Discuss Board Formal Offices, Composition and Structure
- Learn about Board Instruments, Tools and Procedures
- Discuss how to run effective Board Meetings
- Study the Board Governance Framework
- Understand The GRC (Governance, Risk and Compliance) Perspective
- Identify the Board Effectiveness Challenges
- Know about Board Evaluation Practices

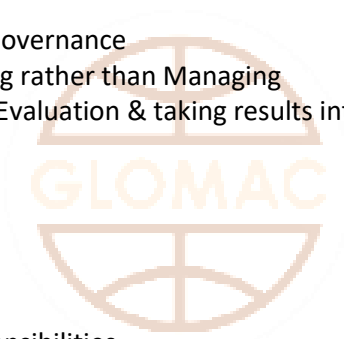

TRAINING METHODOLOGY

- A highly interactive class, where all delegates will be encouraged to engage and participate, share and gain from each other's knowledge and experience.
- The classroom lectures will rely on a bullet based slide presentation enriched by group discussions around case studies and checklists wherever applicable.
