

Advanced Presentation Skills

INTRODUCTION

- The most important key to great leadership is great presentation. To be competent, a leader needs to focus on three elements: mission, people, and teamwork. Effective presentation skills impact all of these areas. If you want to inspire and influence people, win business, gain respect, or simply give clear, unambiguous messages, then you need this training course.
- The highly interactive training course on Advanced Presentation Skills starts by looking at the characteristics and behaviours of top performers and, with the close help of a skilled coach, works out where you could develop further. Using state-of-the-art management techniques from NLP and Emotional Intelligence combined with insights from professionals and their support services, this course will guide delegates through the world of presentation skills relevant to your business.

Participants on the Advanced Presentation Skills training course will develop:

- A greater understanding of themselves and others
- Greatly improved public speaking skills
