

Sustainability Leadership and Corporate Responsibility

INTRODUCTION

- In this contemporary and practical training course, you will learn about sustainability leadership and corporate responsibility. Sustainable leadership is an excellent source of competitive advantage for any organisation. Corporate social responsibility CSR helps an organisation be socially accountable to all stakeholders and the public. By practising CSR, organisations become conscious of their impact on all aspects of society, including economic, social, and environmental.
- Sustainability leadership and social responsibility brings opportunities to the organisations in the shape of innovation, continuous improvement, sustained competitive advantage, and long-term success. In this skills-building training course designed for all supervisors, managers, and leaders, you will learn global best practices in sustainable leadership.

This training course will highlight:

- Best practices in sustainable leadership
- Sustainability and CSR challenges and opportunities
- Working together: the stakeholder in sustainability
- Ethics and corporate governance
- The sustainability journey

OBJECTIVES

At the end of this training course, you will learn to:

- Discuss best practices in sustainability
- Describe appropriate processes for Corporate Social Responsibility CSR
- Identify issues related to ethics and corporate governance
- Understand the importance of stakeholder management
- List ways to promote sustainability and CSV in organisations

TRAINING METHODOLOGY

- This course will use various proven adult learning techniques to ensure maximum understanding, comprehension and retention of the information presented. This includes stimulating presentations supporting each topic and interactive trainer lead sessions of discussion.
- There will also be practical sessions where participants can practice and experience course-related activities. Practical and fun exercises, short video presentations, small group work and feedback will be used to facilitate learning.
